ABOUT

MLG is a leading provider of innovative mine site and supply chain solutions, committed to offering comprehensive services throughout the entire project lifecycle.

Founded in 2002 in Kalgoorlie, Western Australia, by Managing Director Murray Leahy, MLG has evolved from its humble beginnings, initially offering silica haulage services to BHP, to become a publicly listed company on the Australian Stock Exchange.

With a workforce exceeding 1300 personnel and operations spanning 32 sites in Western Australia and the Northern Territory, MLG supports some of Australia's most prominent resource companies.

MLG's expertise extends across the gold, iron ore, nickel, and base metals sectors. Its extensive fleet of approximately 1,470 heavy vehicles and support equipment underpins its ability to deliver an integrated service offering tailored to meet the unique needs of the mining and civil infrastructure industries.

MLG's unwavering commitment to exceeding its client expectations has earned us a reputation as a reliable and trusted partner. Our dedication to excellence and continuous improvement has been the cornerstone of our success, allowing us to serve our loyal client base for over 22 years. At MLG, we pride ourselves on our ability to provide innovative solutions that drive efficiency and add value to our clients' operations.

COMPREHENSIVE MINE SITE SERVICES

MLG's vertically integrated approach delivers unparalleled efficiency and reliability across all your mining needs.

1. Civil and Mining
2. Crushing and Screening Services
3. Bulk Haulage and Mine Site Services
4. Construction Material

OUR SERVICES

CIVIL & MINING

MLG's civil and mining division specialises in delivering a comprehensive range of services, including haul road construction, TSF construction and lifts, and open pit mining services. Leveraging a multi-disciplinary approach, MLG's civil and mining division is underpinned by a dedicated team of project managers, supervisors, and experienced plant operators, all focused on delivering cost-effective and operationally efficient solutions.

CRUSHING & SCREENING

MLG's crushing and screening division is centred around run-of-mine ore crushing, concrete aggregate, road base production, and general screening services. MLG has an extensive fleet of mobile and modular crushing and screening equipment capable of providing a range of crushing and screening services to multiple commodities, including gold, iron ore, nickel, lithium, copper, lead and zinc.

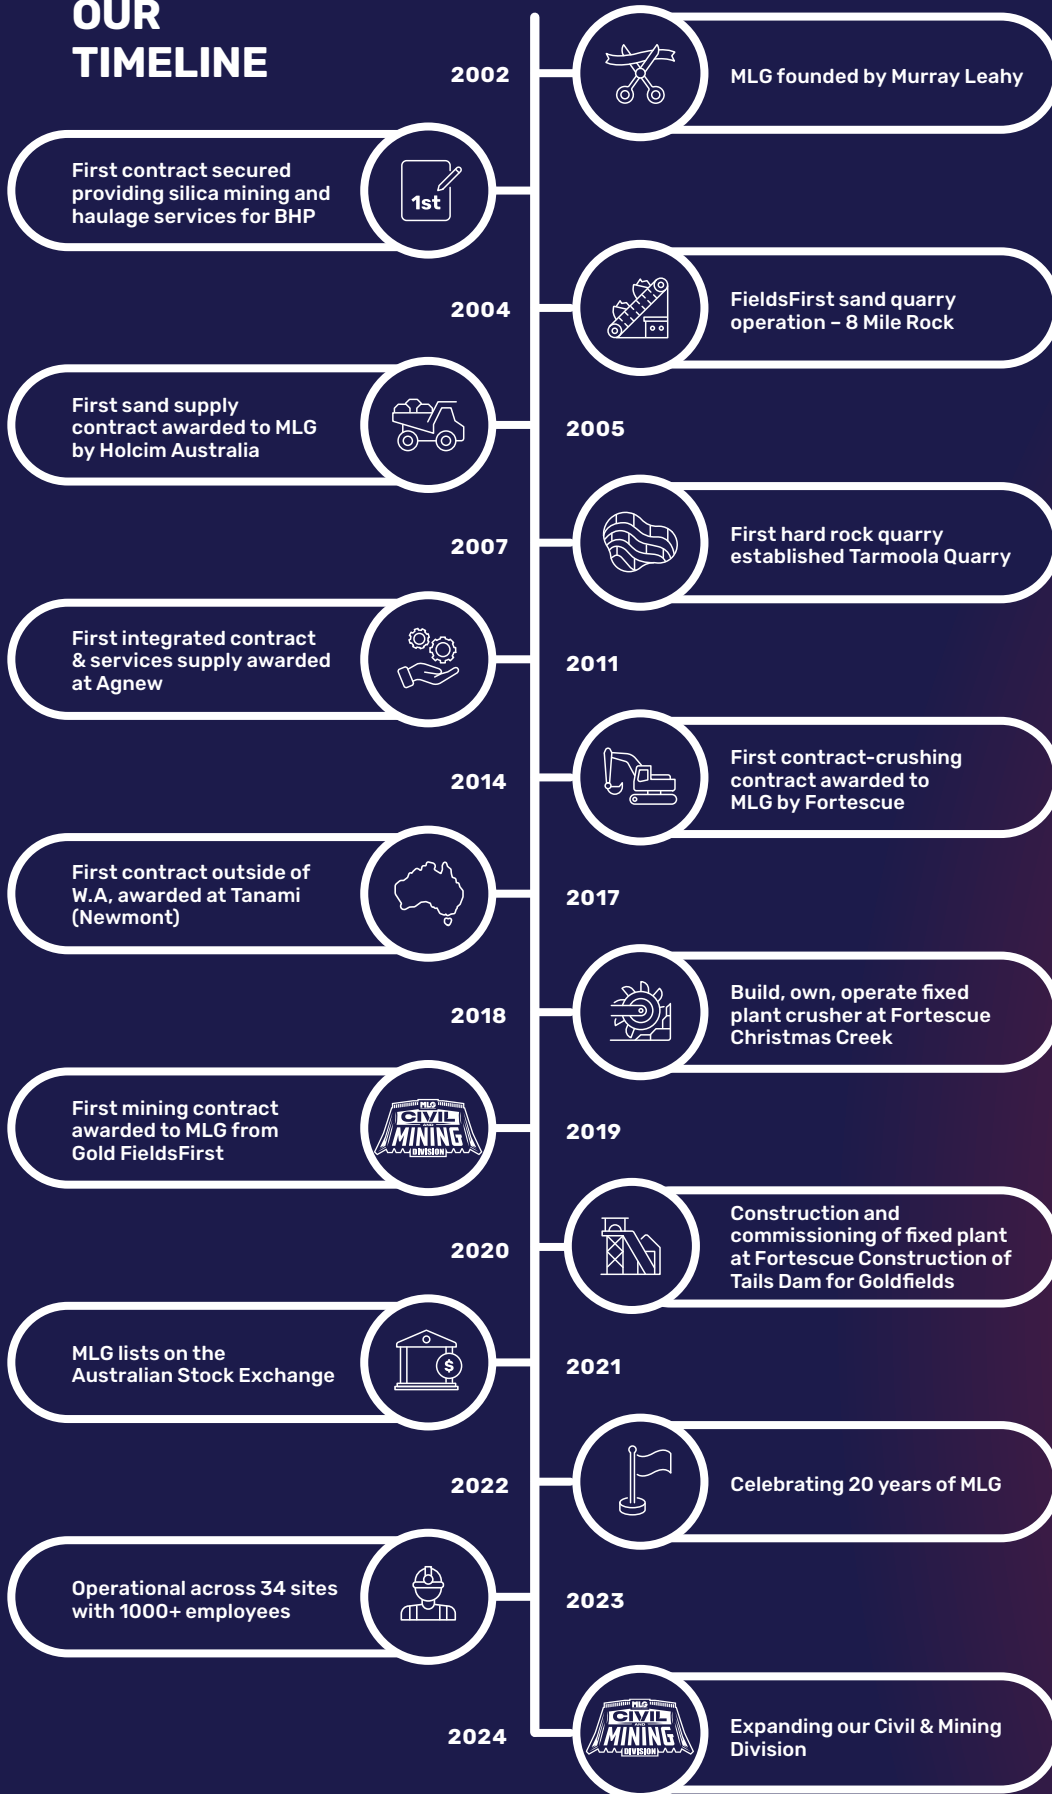

BULK HAULAGE & SITE SERVICES

MLG's bulk haulage and site services division specialises in offering a complete end-to-end haulage solution. This includes general mine site and bulk haulage, maintenance and management of mine site infrastructure, including roads, dust suppression and environmental management, stockpile management, and crusher feed requirements.

CONSTRUCTION MATERIAL

MLG owns and operates strategically located quarries near key mining hubs, which enables it to source, produce, and supply construction materials to the mining and civil construction sectors. MLG's operational quarries focus on the mining of silica sand, screened sand, gravel, and aggregates for use in construction and mining processes.

OUR TIMELINE

OUR BUSINESS PARTNERS

MLG is proud to support and service some of the largest mining companies operating through out Australia, having built long-lasting relationships spanning MLG's 22 year history.

OUR CORE VALUES

COURAGE

We speak up to say what needs to be said, and we do what needs to be done.

INNOVATION

We encourage each other to challenge the status quo and turn ideas into reality.

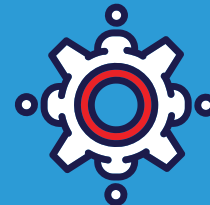

INTEGRITY

We inspire trust and confidence by being honest, transparent and committed to doing what is right.

TEAMWORK

We view ourselves as a community, where each member is valued, respected and supported to succeed.

ACCOUNTABILITY

We hold ourselves accountable for our actions, the safety of each other, protecting the environment, and supporting the communities where we work.

OUR WAY OF DOING BUSINESS AND CODE OF CONDUCT DRAWS ON THE GUIDING VALUES OF COURAGE, INNOVATION, INTEGRITY TEAMWORK AND ACCOUNTABILITY.

SAFETY & ENVIRONMENT

MLG's 1300+ strong workforce base is constantly striving to deliver our services with zero negative impact to our clients' operations, our employees, the environment, and the local communities in which we operate.

OUR PROMISE

To build a sustainable, diverse and collaborative business operation where people know what they are accountable for and can count on having what they need to succeed. We value diversity and individual aspirations and continually support our local communities.

SAFETY

MLG recognises safety as a core value and nothing matters more than the safety and wellbeing of our employees and contractors. We are committed to developing, implementing and reviewing our systems of work to ensure that we provide a working environment that is free from harm.

ENVIRONMENT

We are fully committed to upholding our responsibility in safeguarding the environment within the communities where we reside and operate. We actively endorse community driven environmental initiatives, providing support and participation. We maintain our commitment to transparently, reporting on our environmental performance on a regular basis.

CIVIL & MINING

MLG'S CIVIL & MINING SOLUTION

Leveraging a multi-disciplinary approach, MLG's Civil and Mining division delivers a comprehensive range of services to mining companies across Western Australia and the Northern Territory. Supported by a dedicated team of project managers, supervisors, and experienced plant operators, we are committed to providing cost-effective and operationally efficient solutions tailored to meet the specific needs and challenges of each project.

OUR SERVICES INCLUDE

MLG's Civil and Mining division has extensive experience in delivering the following services:

1. Tailings Storage Facilities: Construction (including lifts) of tailings storage facilities including lining.
2. Open Pit Mining: Full scope of activities including clearing, drill and blast, and hauling.
3. Bulk Earthworks: Comprehensive services.
4. Civil Works: General civil works including concrete projects.
5. Haul Road Construction: Building and maintaining roads for haulage.
6. Drainage: Developing drainage culverts, floodways, and bunds.
7. Road Maintenance: Grading, watering, and installing signage.
8. Site Rehabilitation: Mechanical seeding and land restoration.
9. Clearing and Topsoil Stripping: Preparing sites for mining operations.
10. Construction of Water Dams: Building pipeline bund walls and scour pits.

CRUSHING & SCREENING

MLG CRUSHING & SCREENING SOLUTION

With a vast fleet of mobile and modular crushing and screening equipment, MLG's Crushing and Screening division offers a comprehensive range of services tailored to various commodities, including gold, iron ore, nickel, lithium, copper, lead, and zinc.

Our state-of-the-art equipment enables us to deliver efficient and reliable services that meet the specific needs of our clients.

OUR SERVICES INCLUDE

MLG has the capability and experience to provide a wide range of crushing and screening solutions for our clients. Its large fleet, which includes company-owned mobile and modular crushers, allows MLG to rapidly mobilise to site and ensures that we can deliver efficient and reliable crushing and screening services with minimal delays.

Our dedicated and experienced team is committed to excellence, bringing a wealth of knowledge and expertise to every project. We pride ourselves on our ability to tailor our services to meet the specific needs of our clients, including

1. Crushing - primary, secondary and tertiary.
2. Blast hole stemming production.
3. Build, own and operate fixed plant turnkey solutions.
4. Concrete aggregate production,
5. Road base production.
6. Run-of-mine management.
7. Bulk material screening and handling services.
8. Contract crushing services including mobile, track-mounted crushing and screening plants.

MLG IS A MARKET LEADER IN DELIVERING A COMPREHENSIVE RANGE OF CRUSHING & SCREENING SERVICES ACROSS MULTIPLE COMMODITIES.

BULK HAULAGE & SITE SERVICES

MLG'S INTEGRATED HAULAGE & MINE SITE SERVICES SOLUTION

With a focus on safety, efficiency, and client operational delivery, MLG is a trusted partner in delivering high-quality mine site services and logistics solutions. Services include general mine site and bulk haulage, haul road maintenance, dust suppression, stockpile and crusher feed management.

OUR SERVICES INCLUDE

MLG's service offering delivers comprehensive operational mine site solutions, focusing on on-site services that meet the unique needs of each client. We collaborate closely with our clients to support the execution of their production plans, meticulously coordinating logistics to ensure the right equipment and skilled workforce are available to meet production forecasts and maximize asset performance.

Our modern fleet of prime movers and trailers are designed to transport large quantities of resource materials efficiently and safely. By leveraging cutting-edge technology and rigorous maintenance practices, we minimize downtime and enhance operational efficiency. This commitment to innovation ensures that our clients benefit from streamlined, reliable, and cost-effective solutions tailored to their specific requirements. Services include:

1. Loading of ore from various source locations.
2. Hauling ore to the client's nominated processing facilities.
3. Tailing handling.
4. Vehicle, road and site maintenance,
5. Screening services including crusher feed and support.
6. Machine and labour hire.

DELIVERING EFFICIENT, SAFE & INNOVATIVE SOLUTIONS WITH MINIMAL DOWNTIME, ENSURING WE EXCEED OUR CLIENTS' OPERATIONAL OBJECTIVES.

CONSTRUCTION MATERIAL

MLG'S AGGREGATES, GRAVEL & SANDS SUPPLY SOLUTION

Strategically located near key mining hubs, MLG's quarries enable us to efficiently source, produce, and supply essential construction materials to the mining and civil construction sectors. By owning and operating these quarries, we maintain control over the entire supply chain from sourcing, crushing and processing through to delivery, guaranteeing reliability, efficiency, and cost-effective solutions for our clients.

ORGANISATIONAL STRUCTURE

MLG's management team is led by Managing Director, Murray Leahy, who founded the business in 2002. The business is supported by an experienced board and executive leadership team with complementary and diverse experience in haulage, crushing and mining services, finance, supply chain management, maintenance, and health and safety.

POWERING MLG'S OPERATIONS

MLG's extensive fleet of heavy vehicles and support equipment is the backbone of our robust operational capabilities. With more than 1,400 modern and meticulously maintained units, we partner with industry-leading OEMs, including Caterpillar, MACK, Kenworth, Mick Murray Welding, Bruce Rock Engineering, and Terex Finlay. We ensure our fleet is at the forefront of technology and reliability, ensuring unparalleled efficiency and reliability across our service offerings.

OUR FLEET

Our fleet includes:

- **190+ PRIME MOVERS**
- **650+ TRAILER EQUIPMENT**
- **140+ LOADERS**
- **55+ EXCAVATORS**
- **215+ LV'S**
- **30+ GRADERS**
- **40+ MOBILE STACKERS**
- **20+ MOBILE CRUSHERS**
- **20+ MOBILE SCREENS**
- **60+ SERVICE VEHICLES**
- **30+ FORKLIFTS**
- **10+ SKIDSTEERS**
- **10 + BULLDOZERS**

Each piece of equipment is selected and maintained to meet the highest performance and safety standards, ensuring we consistently exceed our client's expectations. The scale and sophistication of our fleet enable us to undertake projects of any size and complexity, providing the agility and capacity required to support the dynamic demands of our industry. Whether transporting materials across vast distances, executing intricate construction projects, or ensuring seamless on-site operations, MLG's fleet is ready to deliver exceptional results every time.

EMPOWERING COMMUNITIES & ADVANCING SOCIETAL WELL-BEING

MLG's commitment extends beyond providing cutting-edge mine site and supply chain solutions; we are dedicated to fostering thriving communities and advancing societal well-being. Through strategic initiatives and genuine engagement, we prioritise initiatives that uplift, educate, and inclusively embrace diversity. Our holistic approach encompasses education, well-being, diversity, and inclusion while minimising environmental impact and giving back to the communities we serve.

OUR FOCUS

EDUCATION

We recognise that education is the cornerstone of societal progress. MLG actively supports educational initiatives to empower individuals with the knowledge and skills needed for success. From sponsoring educational programs to providing scholarships and internships, we invest in the next generation of leaders.

WELL-BEING

MLG values the health and well-being of our employees, their families, and the broader community. We promote a safety, wellness, and work-life balance culture, ensuring that everyone feels supported and valued. Through wellness programs, mental health support, and access to resources, we prioritise the holistic well-being of our stakeholders.

DIVERSITY AND INCLUSION

Diversity is not just a buzzword at MLG; it's ingrained in our DNA. We celebrate diversity in all forms and strive to create an inclusive environment where everyone feels respected and empowered to contribute their unique perspectives. Our commitment to diversity and inclusion extends beyond words to tangible actions, such as international career programs, specialised training, employee resource groups, and inclusive hiring practices.

MINIMISING IMPACT ON THE ENVIRONMENT

MLG is committed to minimising our ecological footprint and preserving the natural world for future generations. We strive to operate in harmony with the environment. From reducing emissions and conserving resources to reclaiming land and protecting biodiversity, we aim to mitigate our impact on the planet.

GIVING BACK TO THE COMMUNITY

At MLG, corporate social responsibility is more than just a checkbox; it's a core value that guides everything we do. We believe in the power of community and are dedicated to giving back in meaningful ways. Whether through philanthropic donations, volunteer initiatives, or community partnerships, we actively support causes that align with our values and positively impact society. From supporting local charities to spearheading community development projects, we are committed to making a difference wherever we operate.

Our commitment to empowering communities and advancing societal well-being is woven into the fabric of our organisation. We strive to create a better world for current and future generations through our focus on education, well-being, diversity and inclusion, environmental stewardship, and community engagement. We are proud to have a workforce that reflects the rich diversity of the communities we serve, and we welcome applicants of all backgrounds and abilities to join us in delivering innovative mine site and supply chain solutions.

“ MLG IS COMMITTED TO PARTNERING WITH OUR CUSTOMERS TO DELIVER SUSTAINABLE SERVICES THAT DRIVE EFFICIENCY & ENHANCE PERFORMANCE. OUR FOCUS IS ON ACHIEVING OPERATIONAL GOALS TOGETHER, ENSURING MUTUAL SUCCESS. WE STRIVE TO ALIGN OUR GROWTH WITH OUR CLIENTS’ NEEDS, FOSTERING LONG-TERM PARTNERSHIPS BUILT ON TRUST & EXCELLENCE.”
